TROLLEY USE WINTER 2011/2012 FROM: FRIDAY 30TH DECEMBER 2011

Thus far this Winter it has not been necessary to introduce any restrictions on the use of trolleys, but the time has now come with ground conditions becoming wetter.

The following rules will take effect from the above date.

PLEASE NOTE EXEMPTIONS PREVIOUSLY GIVEN TO MEMBERS REMAIN VALID.

Electric Trolleys

As long as ground conditions allow, will be allowed on the course, BUT ONLY WITH winter wheels fitted or with a specific medical exemption agreed by the Managing Secretary.

Pull Trolleys

As long as ground conditions are acceptable will continue to be allowed, BUT WITH WIDE WHEELS ONLY. If conditions are deemed unfit a ban will be in place (unless specific medical exemption has been given).

MEMBERS ARE REQUESTED TO CARRY THEIR CLUBS IF THEY ARE ABLE (PERHAPS CONSIDER A REDUCED NUMBER OF CLUBS), AND AT ALL TIMES OBSERVE ROPED AREAS, AND ANY WHITE LINING AROUND THE FRONT OF GREENS.

Please keep a carry bag ready for use (except those with medical exemption), just in case a full trolley ban is necessary due to deteriorating ground conditions. Remember the Course Information Line (01423 871280) is available each day to inform Members of conditions of play 'for the day'.

In addition, the newly introduced On-Line Tee Booking System will be used to display Course Information messages on the daily timesheets when appropriate.
